Home Warmth Guaranteed by HOMAKER—the Better Pipeless Furnace

WARMTH. Every room heated alike, every room cosily comfortable! Warmth, evenly controlled in all weathers, ample on coldest days—unfailing, steady, perfect—in new homes or old.

That is the HOMAKER guarantee.

And yet warmth is but the beginning of what this simple one-register heating plant brings you. That proud title, The Better Pipeless Furnace, was earned by the many vital improvements in HOMAKER'S design and structure that make for better health, greater economy and increased comfort.

By eliminating dust and dirt, HOMAKER keeps the air pure as well as warm. The handy shaker handle and wide ash pit doors are examples of added conveniences. The prevention of heat waste brings remarkable fuel economy. And the entire sturdy construction means freedom from breakage or burning out.

HOMAKER PIPELESS FURNACE

You shake and dump HOMAKER from an easy upright position with all its doors closed tight. No trace of ash dust can escape. Edge-dump grate gets rid of ashes and saves live coals. Outer casing and register both oversize; heat-radiating castings are centered; abrupt air passage angles eliminated. This combination effects freer warm air circulation. HOMAKER need never be forced. Quadruple casing, inner one with a heavy insulation of air-cell asbestos between the two sheets of steel. All the heat conserved for upstairs, where it warms every room evenly; none wasted in the cellar. Cast smoke collar runs clear through all casings. No gas can leak out. Full width ash door. No hard-to-clean corners in the ash pit.

Send the coupon to-day for our free book "The Story of HOMAKER." It explains in detail HOMAKER'S many vitally important improvements.

The men of America don't have to do the washing—but if they did, they would be as tired of needless laundry toil as American women are.

The Eden

substitutes electric-power for man- or woman-power in the home. It substitutes science for backache. It cleans everything—blankets, linens, all clothes—by dipping them up and down through hot sudas a countless number of times as gently as a woman dips a bit of lace in a basin.

There's no rubbing with an Eden. It makes everything wear enough longer to much more than save its cost. It saves time, labor, hard work and wages.

Try an Eden at home free

Ask us for free demonstration without obligation or expense. If you want to buy an Eden after trying one—you can pay for it the same easy time-payment way that Liberty Bonds were bought.
